# LOOKING YOUR *BEST*

Whether you're heading off to work or stepping out on the town, you want to put your best self forward from morning till night. Let the beauty experts at Hillside Village work their magic on you with professional make-up applications, haircuts, razor shaves, eyebrow shaping, and more. Still need some last-minute primping? Stock up on your beauty must-haves before you leave Hillside to complete your glam look at home.

---

## *Laura Elena Salon Spa*

Treat yourself to a pampering spa appointment for a picture perfect look no matter where you're going! From haircuts and make-up applications to facials and eyebrow tinting, the Laura Elena pros will make you look and feel beautiful.

---

## *Ulta*

Your look wouldn't be complete without cosmetics, fragrance, haircare, and skincare products. Plus, with a full service salon onsite, the experts will get you prepped and perfect for your big event.

---

## *Next Level Barber Shop*

You've been working hard all week, so relax with a hot towel treatment and let Next Level Barber work hard to keep you looking sharp with a facial, basic haircut, razor shave, or eyebrow arches (for guys and girls!).
