GET READY FOR THE RIDE OF YOUR LIFE AT HILLSIDE VILLAGE

by Lisa Beach

If cabin fever left you huddled inside all winter, you're probably craving something fun to do outside this spring. No worries—Hillside Village has you covered!

To tie into Bike Month in May, we've planned some healthy fun as **Bikes on the Blvd.** rolls into Hillside Village. The week leading up to the wildly popular Head for the Hills bike rally, you'll find bikes on display throughout Hillside Village that local artists have painted in colorful, whimsical designs. Then on Friday, May 19th, the bikes will roll into the Village Green so guests can see them up close. Want one of these one-of-a-kind bikes to take home? Purchase raffle tickets at Guest Services for your chance to win your favorite hand-painted bike. Proceeds from the raffle benefit Art and Beyond, Inc., a non-profit organization dedicated to serving at-risk and economically disadvantaged youth right here in our community.

On Friday night, May 19th, we kick it into gear with family entertainment starting at 5 p.m. and a **Kids Trike, Bike & Stroller Parade** around the Village Green at 6 p.m. Show your originality by decorating your bike any way you want! We'll award prizes for creativity. Then from 7 p.m. – 8:30 p.m., Hillside Village will be the venue for "**Rock the Library on the Hill,**" a free concert hosted by Cedar Hill's Zula B. Wylie Public Library featuring popular Dallas singer-songwriter Big Joe Walker. Bringing his bold brand of Texas country music to the Hillside stage, Walker and his fiery band have become a regular on Texas stages.

There's a whole weekend of biking fun planned in Cedar Hill, but you don't need a special event to visit Hillside Village. Bring your family and friends anytime to enjoy our updated children's play area and our fabulous new promenade section with a sand bocce ball court. Never played bocce? We provide the equipment—you just need 2-8 players for this fun game that combines the best of skee-ball, shuffleboard and bowling.

It's official. Spring is here, so get outside and celebrate!
