

Perception is Everything

Think Big

Myth: A small audit shop means limited impact.

Reality: While you may operate on limited resources – you can still make a big impact and roar with the best of them. As a busy, budget-stretching, lean-staffed audit shop, you need to get the job done right, on time and within your budget. But how?

Small Audit Shops Conference

November 20-21, 2003

Phoenix, Arizona

The Institute of Internal Auditors
